WELCOME!

Ta-daaah! I never thought I was going to get this magazine finished, there were so many hot and horny babes competing for space. Decisions, decisions... in the end I gave my staff the responsibility (delegating I call it, girly indecisiveness says my boss) by working out which girls got the most wanks in a week. The winner was our cover girl Julia, who had both boys and girls in the office tearing through the Kleenex. And a close runner-up, causing fits of blindness and hairy palms amongst the lads was booby Brit ball-drainer Jess. But EVERY girl in this issue of Razzle is a guaranteed spunk-extractor. I'm all for this people power thing, so let me know your thoughts – which girls you like, what you'd like to see more of, and I'll see what I can do! Write to razzle@paulraymond.com!

Hugs and smackeroos, **Julia** XXX

Shagged Out

Just recently Craig and I started talking about our sexual fantasies. I told him that my wildest dream was to get well and truly fucked by two guys at once. Rather than being shocked, Craig said he thought it was really horny, and actually wanted to give it a try!

One of his best mates is a really cute looking guy called Jed. The two of them are inseparable and work together as fitters for a well known tyre and exhaust company. They both rent a small flat not far from where I live, and so I'd met Jed loads of times when I'd stayed over.

One Saturday night when Craig and I got back from the pub I was surprised to find that music was playing and candles burning everywhere. I thought that Jed must have pulled, but was surprised that there wasn't a sign of him or a girl anywhere. Craig opened a bottle of champagne and suggested I go straight to bed. I smiled and kissed him, thinking I knew exactly what he had in mind. How wrong I was, and when I got into the bedroom I nearly died on the spot! For there, lying in our bed, wearing nothing but a big grin, was Jed!

Before I had a chance to react Craig was behind me nibbling my neck and with a glass of champagne in each hand. "He's all yours darling," he whispered, and then backed away closing the door behind him. OK, I admit, it wasn't exactly the worst situation I've ever found myself in, and Jed really is a very sexy looking bloke. I think the booze and my hormones must have taken over at that point as I undressed slowly in front of him, pausing only for an occasional sip of champagne.

When I pulled back the sheets I wasn't surprised to find that the poor boy had a raging hard on. He groaned as I sucked his cock deeply into my mouth, and he grabbed handfuls of hair pushing me down onto his tool. I love sucking cock, and I wanted Jed to know how happy I was to be sucking his. So I pulled his foreskin right back and licked his gorgeous knob all over like a lollipop!

"The two mates took it in turn to fuck me rigid"

I told him to lie back and enjoy it as I got on all fours in between his legs with every intention of giving him the blowjob of his life. Jed moaned, gripping the headboard behind him as my wet lips sucked up and down the length of his hard tool. I squeezed his balls and flicked my tongue up and down against that bit of skin joins a man's foreskin to his shaft. It always gets them, and sure enough Jed started pumping rhythmically into my mouth as I felt his balls tighten and his pulse-rate treble.

I knew that Craig wouldn't leave us alone for long, and that was partly why I was on all fours with my bum stuck up in the air! By this time I was really turned on and so I was quite relieved when the door opened and Craig walked in starkers with a huge erection. This was like having all my Christmases rolled into one!

The bed creaked as Craig climbed on behind me, and I thought I was going to die of pleasure when he

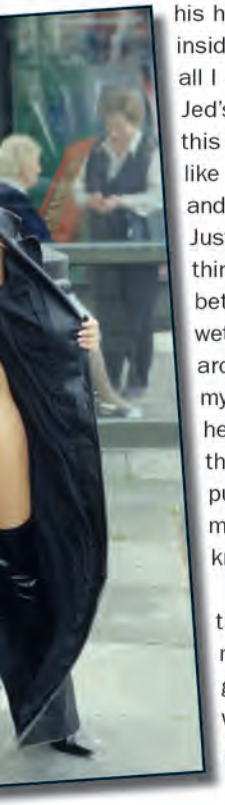
Porno of the Month

WELSH RARE-BITS!

Talk about a Welsh ass-embly... For once the valley girls in this fuck-flick aren't from San Fernando but the land of my fathers. And with the amount of lubricating spunk pouring down their throats, it's no wonder the Welsh are in good voice. Freedom fighter Stacey Saran unleashes her orgiastic Leekazade drink on coal miners, Westminster politicians (an oily turn from Ben Dover), English rugby players and even some unsuspecting leeks in her quest for Welsh independence. Plenty of orgy scenes, ferocious blowjobs and some kind of political point submerged beneath the wobbling arses and Leekazade splashed about. A rare-bit of film making!

grabbed both of my buttocks, spread me open, and sunk his hard cock deep inside my cunt. It was all I could do not to bite Jed's knob, which by this time was pumping like a little piston in and out of my mouth. Just when I thought things couldn't get any better, I felt Craig's wet thumb rubbing around and around my bum hole. I held my breath and then gasped as he pushed it deeply into me right up to the knuckle!

"His cock pumped like a piston in my mouth"



By this time all three of us were moaning and groaning in time with each other. Both boys were pumping their cocks in and out of me really hard, and it was such a great feeling to have one in my mouth and one in my pussy at the same time! I could have stayed like that forever, but I knew Jed was close to coming and I couldn't wait to have his sperm in my mouth. I squeezed his balls tightly and I looked up to see him admiring the view of me sucking his cock and being fucked at the same time. Suddenly his eyes screwed shut and he moaned out loud as he filled my mouth full of his hot sticky sperm!

When I'd pumped every last bit of juice out of Jed's cock I felt Craig grabbing my hips roughly and pushing himself really deeply into my wet hole. His balls were banging against me and I knew that we were both very close to coming. I buried my face in between Jed's legs as I felt Craig's hot spunk flooding into my tummy, and I groaned deeply as I came all over Craig's cock with my mouth still full of jizz. Right in the middle of my come I swallowed every last drop of Jed's spunk.

We managed to keep going for most of the evening and we tried all sorts of different positions and variations. One of the best bits was when I got into the doggy position on the bed and they both took it in turns to fuck me. But the highlight of the evening was when I lay on top of Jed with his cock deep inside me and Craig screwed me in the bottom. The feeling of having two cocks pumping in and out at the same time was wild! We've done it again quite a few times – now all me and Craig are waiting for is for Jed to get a girlfriend!

Party Poking

A load of my mates from college share a big house, and recently threw a 'Come As You Aren't' party. The idea, as you'd expect, was for everyone to dress in clothes totally different to their usual style. I've been a bit of a tomboy for as long as I can remember, and so I swapped my usual black jeans and DMs for an ultra-feminine flouncy white lace mini-dress, and a pair of nearly-new white stilettos I found in a charity shop worn over little white frilly ankle socks.

Once my friends got over the shock of seeing me looking so different, some of them laughed, but others kept telling me how cute I looked in my girlie get-up – too many for me to believe for long that they were taking the piss.

As the night wore on, I realised just why the shoes had been donated to the shop so soon after their original owner had bought them – they were incredibly uncomfortable. The problem was easily solved during the party – I just took them off and walked around in my socks – but at the end of the night, I was wishing I'd brought a pair of flat shoes with me to walk home in. When I put my heels back on, they felt even more uncomfortable than before.

"She ground her hole against my stiff tongue"

Luckily for me, Amanda, one of the party's hosts, told me I could crash out overnight, and that her boyfriend Craig would drive me home the next morning. I wasn't the only one staying over, which meant that all the sofas and spare beds had been snapped up, but Amanda said no problem; she and Craig would bunch up and I could share their double bed.

Nothing happened until the following morning, when I was woken by the unmistakable sound of Craig and Amanda having a sneaky shag. They were doing it in the 'spoons' position – Amanda lying on her side with her back to Craig who was fucking her from behind. A little shocked, I rolled over, so I was on my side with my back to the two of them. They stopped for a couple of seconds, then carried on.

I tried to go back to sleep, but they got louder the more they got into it, and as I listened, I felt my pussy starting to juice up. I hadn't had any sex at all since I'd split up with my last steady bloke, a few months before, and now the gentle rocking motion of the bed, and the soft, slurping noises as Craig's dick slid in and out of Amanda's soaking pussy, interspersed with her soft moans, soon had me sneaking a couple of fingers into my own cunt.

I braced my body, using the movement caused by Craig and Amanda's lovemaking to gently work them in and out. Then, suddenly, I felt Amanda rake her fingernails gently down my back. Thinking it had been an accident, I didn't respond, and I wasn't sure of what to do when I felt her do it again. Then she flung an arm around my waist, and started to stroke her way up to my boobs, cupping one of them through the thin cotton of my dress. "Okay?"

visit www.paulraymond.com

she said, and kissed me softly on the back of my neck.

"Mmm..." I moaned. I hadn't known Amanda was sexually interested in anyone but Craig, let alone bisexual and attracted to me, but as she began to squeeze my tit a little harder, and roll the nipple around between her fingers, I realised I didn't want her to stop. "Finger me," I whispered, and took over playing with my tits as she obliged me. Craig fucked her slowly and rhythmically, his thrusts forcing her fingers in and out of my pussy. Then, without any warning, he started to speed up, slamming his hips against her arse as his climax started to build. Amanda was pressed up to me so tightly, I could actually feel him shuddering as he shot his load inside her.

A few seconds after Craig pulled out of Amanda's cunt she whispered to me, "I didn't quite get there that time. If I make you come will you do the same for me?"

"Yeah," I breathed, and she started kissing down my body. Before she got as far as my cunt, though, I stopped her, and suggested a sixty-nine. She turned to face the foot of the bed and swung her leg over to straddle my face, and as I started sucking on it her pussy, spunk and juices gushed out and into my mouth. Never having done this before, I didn't have a clue how to bring her off, but it didn't really matter. She wasn't shy about asking for what she wanted, and she was so orgasmic anyway, that all I had to do was ram my tongue into her hole and let her grind herself against it until she came.

I'm not sure that she bargained for how hard she was going to orgasm, but it left her in no fit state to bring me off like she'd said.

"Sorry," said Craig, giving her bum a playful slap as she flopped face down between us, "she's always doing this to me, too."

"You bring her off, then," said Amanda, in a bit of a grumpy voice.

"I will, if you want me to," said Craig to me, and I saw his cock was jutting hard up from his crotch.

I didn't say a word; I just lay back, and spread my legs wide open, smiling at him and fingering my clit as he positioned himself between my thighs. Then I reached up and took his prick in my hand, so I could guide it into my wet and open hole. He got hard pretty soon after coming that first time, and I felt his cock swell up a fair amount again, as he eased it into me. He started thrusting in and out, and Amanda turned herself around, lying, with her head propped up on one elbow, watching me with a grin as her boyfriend screwed me. Then she bowed her head to take one of my nipples into her mouth and, as she sucked hard on it, an intense orgasm tore through my body. That was enough to set Craig off coming, and as his warm, thick spunk pulsed out into my pussy, another gentler orgasm rippled through me.

As promised, Craig drove me home later that morning, and fucked me again – in my own bed this time – before going back home to Amanda. He said she wouldn't mind, so long as I didn't mind him telling her all about it!

PENIS PINATA

It's not often I am greeted at my door with a giant cock (unless you count my fella) But, from the moment I saw this I knew I was in for an almighty laugh. It comes with a bashing pole and blindfolds – which let's face it could make for a good night in alone – and can also be filled with sweets and condoms. This really is an absolute must for any swinging party, hen do, birthday – I'd even be happy with one of these at my funeral. And, boys, don't be getting jealous – there's a fanny one too, just waiting for a good ol' bashing. I have not had this much fun since I first discovered a multiple orgasm!

Durex Play Heat cleverly warms up with friction, so you get a nice warm feeling up your cunt or down your cock. But for the grand fuck finale my Razzle dong goes to the Liquid Silk sachets. THE MADAME BUTTERFLY

The Madame Butterfly is yet another pillow style toy that after you have cum, is the best place you would want to lay your head. With the softness of the pillow on your thighs and the two stimulators hard at work in between, it's the perfect combo to send you over the edge – of the bed anyway. You can also remove the stimulator, so it will always work as an extra pillow for some poor guest. Just remember to give a quick squirt of Febreze.

Real smut from the Razzle sack!

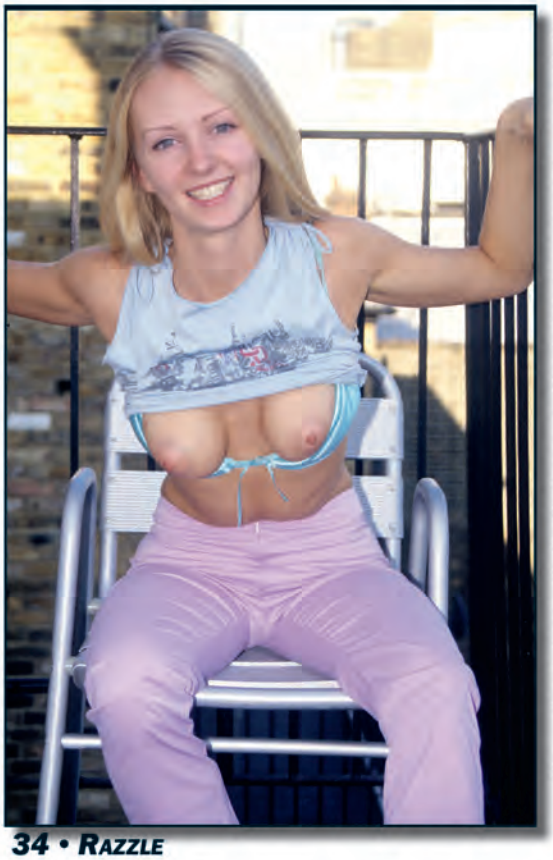
Green Fingered

Last summer, I spent the whole of the long vacation working as a gardener in the grounds of a large private house. I'm a 20-year-old student, so the work often seemed quite strenuous, but by mid-September I was feeling fit, toned and tanned.

One afternoon I was cleaning some tools in the shed. Through the window I saw a bloke walk over to a nearby pool, sit down and dip his feet in the water. The grounds were strictly off limits to the public, and I should have reported him to my boss, but I was too busy leching over him! All he had on was a pair of black jeans, and as I gazed at his naked back it felt like my cunt was melting inside.

I slipped my hand between my thighs and started frigging my clit through my cut-offs. The crotch seam was already tight up against it, and as I ran my finger along it the rough stitching rasped against my bud. After a while, I tried to slip my hand into my shorts, but they were so tight they only allowed me to grind my fingertips against my clit, when I really needed to rub it hard and fast.

"Doggy style is my fave way to fuck"



As I stood up to undo my zip, my eye fell on a trowel, with a thick, rubberised handle grip, which I had cleaned earlier on. I pulled my shorts right down and, holding the tool by its blunt-edged steel blade, I put the rounded end of the handle up to my hole. It slid smoothly and easily up my soaking passage, and I started to ram it in and out, building up an almost burning friction in seconds.

My eyes were glued on the bloke, who was lying back on the grass with his feet still dangling in the water. I could see his arm was moving and then I noticed his hand was stuffed down the front of his jeans – he was having a wank too! I pounded the trowel handle even harder into my cunt, willing him to get his cock out so I could see him bring himself off.

I finally decided I'd better go and have a word with him – and tell him he could be fucking me instead of wanking! It took him a couple of seconds to realise I was standing over him, but even then all he did was grin – and, I'm sure, wank his prick even harder. I was still holding the trowel, which was dripping with my juices, and I held the handle up to his nose for him to sniff. Without saying a word I walked back to the shed. By the time I turned around to watch him walk towards me, his flies were open and he was openly wanking his cock. It was a big, meaty fistful, oiled up with pre-come which he was smearing over his shaft as fast as it was seeping from his love-eye. It looked so engorged I didn't bank on getting more than a couple of minutes' fucking before he came, but I reckoned that would be enough to get me off.

Inside the shed I got down on my knees. Doggy-style is my favourite way to fuck – no other position gets me

quite as worked up. I love feeling the bloke move in behind me, and the build-up of anticipation before he penetrates me. Will he tease me, rubbing his cock head up and down my slit until I'm squirming and begging him to stick it to me, or will he just slam right in balls-deep without any warning? Either way I always scream out loud with pleasure when I feel a hard length sinking in and opening me up.

This time though, the bloke started playing his cock around my arsehole. My body tensed – I'd never been shagged up it before, and I worried that it would be too tight to take a cock that size. The bloke must have realised this, as he switched to stroking my ring with his fingertips. He whispered to me to relax, telling me, as he eased one finger at a time into my anal opening, that he was getting me used to having it filled. When I'd comfortably taken three, he pulled them out again.

"He teases my slit till I'm begging him to stick it to me"

I tensed, knowing what was coming next. Then he pressed his cock into my arsehole, and it opened up so easily that my gasp became a sigh of relief and then of ecstasy. He set the pace, but took things really slowly, only speeding up when I asked him to. Soon he was fucking me fast enough for me to feel a jolt of pleasure on each in-stroke, but slow enough that he was able to hold back from coming too soon. He leaned right forward and kissed the back of my neck, and as he reached under my body to cup my tits I felt his hard nipples brush against my back. I shuddered, then grabbed one of his hands and slid it down to my clit.

He pinched it in between two fingers, rolling it to the rhythm of our fucking. Every time he thrust in he'd give it a sharp little squeeze, so I'd buck my hips and slam my bum back harder against his crotch.

I still felt like I was being stretched open to the limit, but my back channel was so well lubed with churned up pre-come that I was able to take the hardest fucking he could give me. My pussy juices were flowing out and running down over my clit, which suddenly started to twitch. Then every muscle in my body clenched hard, before rippling in an intense orgasm. As I relaxed again, the bloke pulled out and rolled me over onto my back He aimed his cock at my tits, and as I pushed them together he sprayed his come in rapid bursts all over my nipples.

We lay there kissing for a while, our bodies sticky, sweaty and grimy. Then, after pulling his jeans back on, he kissed me goodbye, dived into the pool, swam a length underwater, then disappeared dripping wet into the bushes.

It occurred to me then that I didn't know his name, but he told me it was Sean when he came back for more the next day!

Being caught wanking doesn't always have to end in shame. As Tanya discovers...

I'm in my final year at college, and my boyfriend and I share a big, two-bedroom flat with my mate Kirsten and her bloke. When the lads have a boys' night out, Kirsten and I are usually glad to see the back of them – we get to be as girlie as we like.

Last month, it dawned on us we'd got really lazy and hadn't been out clubbing since Christmas. We decided we'd do it, and to celebrate I bought a new black dress and high heeled boots.

"Juice gushed from her hole as I licked her twat"

While Kirsten was in the shower, I tarted myself up in her full-length mirror, and liked what I saw. My dress was so tight and clingy, I had to wear a G-string underneath it. The mirror was angled, leant up against a wall, and when I shoved my hips forward I could see right up my skirt. Giggling to myself and feeling excited about the night ahead, I had a little fumble, stroking my pubes gently through the little silky triangle.

I suddenly noticed Kirsten in the doorway and blushed scarlet. There was a really awkward moment, then she stammered, "D-don't stop. You look... fantastic. Really sexy."

She let her bathrobe fall open and started groping her own tits. It all felt just a bit too weird, but I was getting little tingles in my pussy. I pulled my G-string to one side and started probing my slit with a finger. When it was coated with my cream, I pulled it out and took a lick.

Kirsten had one hand in between her legs now, and I asked her had she ever been with another girl. She shook her head and I said, "Me neither..." Then we just turned and looked at the bed.

Two minutes later we were under the sheets. It still felt weird – she was my mate as well as a girl, but once we'd got used to the idea, we just went with it.

Kirsten took the lead, kissing her way down from my mouth to my tits. My nipples went hard and tingly under her fingers and tongue, then her hands were everywhere, caressing my arse and hips, and smoothing my inner thighs apart. One last suck on my nipples, like she was psyching herself up, then she licked a trail down over my belly to my crotch.

Getting head from Kirsten felt so different to when my boyfriend went down. Her tongue was flitting over my clitoris like a butterfly, teasing rather than rasping me to excitement. Every time she paused

trackies and going downstairs to wait for our blokes. When they got back, we told them we'd decided to give the clubbing a miss after all. It didn't occur to them that we'd been up to anything, although mine mentioned how juicy my pussy felt around his prick when we fucked later…

Tanya, Gravesend

"She begged for a fuck"

"Oh fuck!" I moaned as my orgasm started to hit – the most incredible tightness in my pussy, followed by explosive rippling. I spread my legs wide as Kirsten to catch every stray drop of pussy juice.

She wasn't going to let me rest until she'd cum too. She grabbed my hand and pulled it in between her legs, and all my nerves vanished. I'd worried I wouldn't be able to bring her off, but it was easy. She used her hand to rub mine against her clit, just the way she liked it, and soon she was grinding hard on it.

She still wasn't finished. She begged me to lick her, and so I sat over her face as I buried my own between her legs. I used my lips and tongue to tease her clit out into the open, then sucked and lapped until her body was shivering and she sobbed in ecstasy.

Even when she came, the juices gushing out of her hole, she wanted me to carry on licking her. She was thrashing around but I hung onto her arse, steadying her to give her what she wanted. My own clit was starting to pulse again, but all it took was one gentle rub to get me off.

We stayed in bed as long as we dared, before putting on our

A father and his son were talking about sex. The son asked, "Dad, what does a pussy look like?" The dad replied, "Before or after sex?" "Ummmm, before sex", the kid answered. The dad said, "Have you ever seen a beautiful red rose with soft red petals? That's what a pussy looks like." "Well, what about after sex?" asked the son. His dad replied, "Have you ever seen a bulldog eating mayonnaise?"

THE HEAD NURSE.

A wife and husband have bought some flavoured condoms to spice up their sex life. "Darling, I'll turn off the lights. Put one on and you have to guess the flavour." the hubby says, saucily. As soon as he turns off the light, the wife takes it in her mouth and says, "Gorgonzola!" to which the husband replies, "Wait, it's not on yet."

A guy goes down for breakfast and it's quite obvious that his wife is in a mood with him. He asks what the matter is. She replies, "Last night you were talking in your sleep, and I want to know who Linda is?" Thinking quickly on his feet he tells her that Linda was 'Lucky Linda' and was actually a name of a horse that he bet on that day and won £40. She seemed quite happy with the explanation and he went off to work. When he got home that night, his wife was being shitty with him again, asking her what the matter was now, she replied, "Your horse phoned."

Once again the guy in front turns around and tells him to be quiet. So three women come out and start stripping. Strangely, there is silence. The guy in front says, "Hey, where's all your excitement now?" He replies, "All over your back!"

LUCKY FUCKER!
LAURA & ROBERT

After breaking up with my fiancé a few months ago, I decided that I'd moped enough and it was time to get out there and take life by the reins again.

That morning, I woke up optimistic and happy as in a matter of hours I would be in my favourite city, New York. I worked as an air hostess and was preparing for a long-haul shift to America, but for a treat I had decided to stay on for a few days, for a well-earned break.

As I was getting ready, I caught my refection and thought how good I looked in my notoriously bright coloured uniform. Virgin, I was not! Turning around to admire my own arse in my tight, figure-hugging skirt, it finally dawned on me that there are plenty more men in the sea and it was a crime to keep my sexy body – all 5'8" inches of it – just to myself.

Tying my long blonde hair up in a bun and applying my bright red lipstick, I was ready for the big flight to NYC. Walking into work, I felt super-sexy with my new found confidence. I was hot, hot, hot!

After take-off, I paced the aisles handing out the usual freebies to keep the passengers happy, when I saw him sitting a few rows up. My heart dropped straight in to my black lace panties. It was my ex before my ex, Sean.

There he was, all 6'1" of him, looking as hot and fuckable as always. Looking up, he caught my eye and I knew he was as pleased to see me as I was him. Pouting my blood-red lips and working my walk (as best as a girl can in a packed plane), I finally got to him.

"So, you became the air hostess after all?" he said, smiling through his sexy white teeth. "You always said you would."

I hadn't seen Sean since I was 19 and at college. As I looked at him, I got flashback of us, rolling around naked together. It was the best sex

"I had visions of his milky cum trickling over my nipples"

of my life and we would go at it like rabbits – at any opportunity and anywhere.

Visions of his hands gripping my thighs as he licked my pussy raced through my head. His perfectly formed cock running over my breasts, his milky cum trickling over my hard nipples and the memory of him inside me was all too much. I could feel my pussy throbbing, begging to be

wrapped around him again. I managed to blurt out that he was looking fantastic, before quickly moving on up the aisles.

As soon as I was able to grab a moment, I escaped to the staff toilet and allowed myself to grin from ear to ear. He had no wedding ring, so I figured that he was mine for the taking. I couldn't resist my hands creeping down my skirt, skimming my silky wet pussy lips, but forced myself to stop, that I should be working.

I obviously had to keep passing Sean, offering blankets, food and drinks, but it was when he asked if we did cocktails, notably a Screaming Orgasm, that I knew we were on.

After the lights were dimmed and the passengers had gradually fallen asleep or gotten engrossed in a movie, I slowly moved up the plane aisle, knowing full well that he was watching me.

As I went to pass his seat, he held out his hand and gently took my wrist. His touch was just as I recalled, soft but most definitely in charge. Bending down to talk to him, I was fully aware that I was also showing him a good eyeful of cleavage.

"Excuse me miss," he whispered.

"Yes sir?" I whispered back, bending in towards him.

"Can you please give me a hand?" he grinned cheekily, as he lifted up his blanket. And there it was – his perfect eight inch cock.

"Certainly sir, if you would like to follow me." I straightened up, and slowly moved off to the back of the plane. I had already mentioned my situation to my colleague, so she knew she wasn't wanted as soon as she saw who I had in tow! She quickly moved away, pulling the curtains as she went, leaving us alone. Sean immediately pushed into me, slamming his body into

"His big hairy balls bashed against my pussy as we fucked"

mine, his wet hard tongue slipping violently between my lips. I felt his hard cock grinding into my crotch, and I couldn't help but grind back.

"Fuck me," he groaned. "Fuck me now!"

I took his smooth cock in my hand, as he loosened my long hair. His hands gripped my breasts as if the last 10 years had never passed.

I had no time to think about what we were doing as I pulled my knickers to one side and guided his cock inside my desperate pussy.

Stuffing his tie in my mouth to muffle my moans, he pounded me hard against the trolley. The cold metal stung my arse as he pounded deep inside me.

"Cum inside me!" I cried, muffled through his

visit www.paulraymond.com

tie. I knew I was going to cum any moment and tried my hardest not to scream out loud. His cock was pressing against my G-spot and he bit down on my nipples as my body started to shudder with the pleasure of my impending orgasm.

My pussy exploded over him. I could feel my juice dripping down my legs, and his big round hairy balls bashing against my pussy as he carried on fucking me hard.

He spun me round, hitching my skirt up around my hips and with a few powerful thrusts, shot his hot spunk up my pussy, filling me to the brim.

"That was amazing," Sean panted, as we quickly cleaned up. "Just as good as I remember."

As we straightened ourselves up, I noticed Sean's cum all down my skirt. He worried he'd get in me to trouble.

"Don't worry," I smiled, "Yogurt spillages are quite common at 35,000 feet!"

As I finished the flight, I suddenly realised two things: why people fantasise about joining 'the mile high club', but also just how much fun I was going to have with my new found freedom!

MILF OF THE MONTH

MANDY

"The more cocks the better!" bursts out Mandy. "I've been round the block a few times, got married, got divorced. It's made me realise you only get out of life what you put into it. So I'm up for whatever you blokes have got in mind!"

We thought we'd get our best Crystal out this month... "I've always fantasised about getting two cocks up me – one in my bum and one in my pussy," confesses the rutting Rochdale lass!

BEST of the rest

Further filth from the Razzle team!

Razzle Rates...

Hairy Muff Part One

No matter which wank mag you pick up, you can guarantee seeing smoothly-shaven twats. But what about those of us with a penchant for hair pie, who like to feast on bearded clams? We introduce porn stars pre-fur-ing (sorry) a more hirsute hot pocket...

Sasha Grey

George Bush: Sasha started in porn in 2006 at the age of 18, and the skinny, pale and oh-so-sexy hottie instantly began winning awards all over the place. She's also the biggest crossover star since Jenna Jameson, thanks to her starring role in Oscar-winning director Steven Soderbergh's movie *The Girlfriend Experience*, as well as in Razzle's favourite US show, *Entourage*.

Hair Force One: The deep-throating, anal specialist that is Sasha Grey has an ever-present tuft of short and curlies and is one of the most intense fucks in the jizz biz, by the looks of things. It adds to her alt.porn looks – this is a girl you'd expect to see modelling for a trendy clothes label, not buried in gallons of man-fat. She's as filthy as they come, and proof that a hairy muff really can be good stuff.

YouPube: Definitely knowing how to make an impact, Sasha's debut scene was with legend Rocco Siffredi in *Fashionistas 2*. She's a true master of her art, happily glugging back five loads in Jules Jordan's *Feeding Frenzy 9* and then upping the ante in Red Light District's *Gang Bang 5*, sucking, fucking and rimming 15 blokes to completion. Truly a sight to behold.

Lexi Belle

George Bush: With her girl-next-door looks Lexi Belle really is as cute as a button, and she often has a luxuriant bush down her knickers, to boot. Since kicking off her porn career in 2006, she's been in constant demand, winning a total of six awards so far (including the 2011 AVN Award for Best Supporting Actress in *Batman XXX: A Porn Parody*). Surprisingly and commendably, it's said that her first ever scene was the first time she'd sucked dick. And she hasn't stopped since...

Hair Force One: We bumped into her a few years ago, on the set of 3rd Degree's *I Wanna Bang Your Sister* and she flashed her furry foxhole at us. "It's been three weeks now and I like it, I think it's really fun. Tell your readers the secret is conditioner." We told her that if she ever ran out of conditioner, we've always got a nice creamy substitute for her.

YouPube: We loved her bush in *I Wanna Bang Your Sister*, but that may be because we saw it for real! She was nominated for AVN Awards for two of her scenes in Juicy Entertainment's *Bad News Bitches 3*, so we'd recommend starting there, although she was pretty fucking hot in Evil Angel's *Fucked On Sight 4*, too.

Kyla Cole

George Bush: Kyla Cole has been making the blood rush to the groin regions of men since making her modelling debut in 1999. She's 5'7", has 34D chesticles and a pubic mullet that you could plait and we're not growing tired of the sexy brunette yet. Unfortunately, the Slovakian beauty remains resolutely cock-shy, for reasons unknown. Doesn't stop us dreaming, though...

Hair Force One: Her 12 year career is unheard of in modelling, so the fact that Kyla's still most definitely a fan favourite says a lot for her unwaning beauty. In that 12 years, we've seen her go from almost completely bare to a little bit of fluff to full-on 'forest' bush, and she's more than proved that she's

NEXT ISSUE

hot enough to carry it off. We just hope she doesn't suddenly discover the Mach 3 after all these years.

YouPube: Pick up any porn mag from the last decade and chances are, you'll find Kyla in there. Sadly for us, there's very little video footage of this fox to get excited about, except a few lesbian scenes for Studio A Entertainment back in the early noughties. Oh, and a number of exclusive solo wanking scenes on Paulraymond.com. C'mon, it's what the interweb's for, after all.

Gianna Michaels

George Bush: Since sharing her all-natural 34DD boobs in 2004, Gianna Michaels has starred in hundreds of movies (387 so far), won six awards and gained a huge fanbase worldwide. If you like boobs, pubes and intense cock loving, she's your woman. We wish she WAS our woman.

Hair Force One: Look beyond her mammoth tits (it took us a while, too) and you'll notice that the Seattle superstar is a fan of plucking and trimming her hair down there, rather than shaving. We admire the pride she takes in her bush – we can't think of anything more painful than plucking your pubes, so props where they're due.

YouPube: If there's a bad Gianna scene, chances are it's because the guy can't keep up with her. Shane's World's *Boz In The Bush* focuses on her wiry wonderland, but if you want to see this sexbomb in all her glory, check out Evil Angel's AVN Award-winning *G For Gianna*, as she stars in all nine mind-blowing scenes.
